

BEAT Fitness Cleaning Team | Job Description

Our mission is to make healthy living a habit.

Our clients' success depends on them working out regularly. More than anything else, our clients need to show up often enough - and long enough - to get the results they want.

As part of the Cleaning Team you help our clients to show up and workout by creating an environment that is clean, facilities that are working reliably with all client amenities in stock.

If our clients keep showing up they will get results, have fun, keep coming back and bring their friends.

The goal of our cleaning team to ensure a 5* level of cleanliness in the studio:

- Regular cleaning means that maintenance problems can be identified quickly.
- Staff appreciate and respect the establishment more if it is clean.
- Clients appreciate the cleanliness of our studio

Positive: Communication, Professionalism, Quality

offre de qualité, profs de haut niveau, choix de cours 7/7, sympa, bonne ambiance et propreté

Attributes for Success

A self organised, proud person: someone who enjoys working to a high standard consistently

- Team player: This is a job share with another member of the cleaning team
- Competent: Knows how to clean but also knows how the gym works
- Reliable: Organised, consistent, self motivated
- Local: you should live close to our location on Rue du Simplon 47, 1006 Lausanne

Job Share

This role is designed to be shared with another member of the cleaning team. We are recruiting for two new employees to join our team and share the cleaning responsibilities. Holiday pay is included in the gross pay and therefore it's essential the team members communicate to cover each other's shifts when they have holidays.

Time

- We are looking for two people to join our cleaning team in our fitness studio.
- This position is ideal for two people who want to share the work and cover for each other during holiday periods (not ideal for two members of the same household).
- Cleaning the entire studio takes 3 hours per day.
- This can be shared in x2 1.5 hour slots or alternated on days of the week.
- To be a sustainable long term role you should have an easy commute to our convenient location next to the train station. Note there is no on site parking.
- There are around 750 square metres to clean, and several rooms need attention.
- We are looking for regular support, 7 days a week, for 3 hours a day, spread over a team of two people.

Compensation

- Our offer is CHF 22 per hour. This is a salaried position and includes all social charges.

Roles and Tasks

- Part-time employee under Swiss labour laws.
- General cleaning, equipment resupply, maintenance, and SOP duties.

Let's do this

- The role starts immediately on 1.1.2024
- Successful applicants will have a 3 month training and probation period
 - 2 weeks initial probation (1.1.2024 to 14.1.2024)
 - 3 month total probation period (1.1.2024 to 1.4.2024)

How to apply
