

HOSPITALITY TEAM PART TIME

BEAT is Lausanne's first pay-as-you-go fitness studio offering 45-minute Spinning, HIIT and Yoga workouts.

We are seeking a passionate, positive, energetic team players who will motivate our community to make healthy living a habit.

If you are passionate about the latest fitness, lifestyle and music trends and believe that being healthy is essential to happiness, then we want to hear from you.

Many of us have a love/hate relationship with fitness.

We love the feeling of getting fit, but hate the feeling that we're just ticking a box, going to the gym out of obligation or guilt.

We love to feel part of a fitness community but hate the anonymous soulless big box gyms.

Can you help our community fix its relationship with fitness?

Hospitality and community transform working out from an obligation to a destination.

From a chore, to a date in the diary that we can't wait to keep.

From anonymous to a sense of belonging.

We are building a Hospitality Team who give the warmest of welcomes to our community. You do not need previous experience in the fitness industry. But a passion for music, fitness and hospitality is essential.

If you can blend exceptional hospitality with Swiss attention to detail then please apply.
